

Calibration services

UIC satisfy the customer by ensuring the quality to the product for long period of service. UIC calibrates instrument & equipment with a crew of highly experienced and qualified engineers.

Calibration is a matter of Confidence.

ALL TYPE OF MECHANICAL, ELECTRICAL, DIMENSIONAL PRESURE, THERMAL INSTRUMENT

DIMENSIONAL INSTRUMENT CALIBRATION OFFERED BY UIC

- Coating thickness gauge
- Digital micrometer
- Micrometer
- Outside micrometer
- Protractor
- Steel ruler
- Steel tape measure
- Testex dial gauge
- Ultrasonic thickness gauge
- Universal bevel protractor
- Vernier caliper-digital
- Vernier height gauge
- Vernier caliper
- Deluxe combination square
- Profile gauge
- Feeler gauge
- Master gauge
- Measuring gauge
- Right angle
- Thread plug gauge
- Auto level station
- Automatic dumpy level
- Automatic level
- Digital theodolite
- Spirit level stop watch
- Wet film thickness gauge

ELECTRICAL INSTRUMENT CALIBRATION OFFERED BY UIC

- AC volt-Ohm-ammeter
- Electric Welding Machine
- Hi pot Tester
- Loop Calibrator
- Megh Ohm Meter
- Mini DC Circuit Meter
- Power Quality Clamp Meter
- Primary Current Injection System
- Relay Test Set
- Relay Test System
- Sound Level Meter
- Transformer Ratio Meter
- 3 Phase Sequence Tester
- Automatic Wedge Welding Machine
- DC Power Supply
- Digital Light Meter
- Circuit Breaker
- High Voltage Detector
- AC/DC Clamp meter
- Contact Resistance Tester
- Digital clamp meter
- Digital Earth Tester
- High Voltage Insulation Tester
- Diesel Welding Machine
- High Voltage Test Set
- Insulation Continuity Tester
- Insulation multi meter
- Insulation Resistance Tester
- Pinhole Detector
- Volt / mA Calibrator
- Current Transformer
- Decade Resistance Box
- AC/DC Power Supply
- Digital Multi meter

PRESSURE INSTRUMENT CALIBRATION OFFERED BY UIC

- Needle Pressure gauge
- Pressure Gauge
- Pressure Recorder
- Pressure Transmitter
- Vacuum Gauge
- Acetylene Regulator
- Co2 Regulator
- Documenting Process Calibrator
- Field Communicator
- Inert Gas Regulator
- Oxygen Analyzer
- Oxygen Regulator
- Precision Calibrator
- Pressure Module
- Flow Meter
- Gas Detector
- Pressure Relief Valve
- Safety Relief Valve

MECHANICAL INSTRUMENT CALIBRATION OFFERED BY UIC

- AC Magnetic Yoke
- Analog Top Loading Balance
- Compression Testing Machine
- Charpy Impact Testing Machine
- Digital Top Loading Balance
- Digital Tachometer
- Hardness Testing Machine
- Field Communicator
- Platform Weighing Machine
- Torque wrench
- Break Analyzer
- Load Cell
- Pocketable Vibration Meter
- Extenso Meter
- Precision Top Loading balance

THERMAL INSTRUMENT CALIBRATION OFFERED BY UIC

- Baking Oven
- Digital Temperature Controller
- Digital Thermometer
- Holding Oven
- Incubator
- Mother Oven
- Surface Thermometer
- Temperature Recorder
- Temperature Gauge
- Electrode Dry oven
- Infrared Thermometer
- PH Meter
- Temperature Transmitter
- Thermometer
- Wall mount Thermometer
- Whirling Hygrometer
- Furnace Oven
- Constant temperature Oven
- Digital Thermo hygrometer
- Dual Block Dry well calibrator
- Electrode baking oven
- Electrode Oven
- Infrared Digital thermometer
- Refrigerant Gauge
